Three great reasons to attend Homeownership Days

1. Learn your purchase power

Meet one-on-one with a Wells Fargo Home Mortgage consultant who will confidentially discuss your home financing options and take your application for a **PriorityBuyer**[®] mortgage preapproval which will let you know how much you may be able to borrow.¹

2. Take a virtual home tour

Presented by the California Association of Real Estate Brokers, you'll view properties located in Oakland and surrounding cities and meet with real estate agents who are ready to help you search for a home.

3. Discover homebuyer assistance programs

Meet with local housing professionals dedicated to sharing important information that may help you become a homeowner such as down payment assistance programs.

We will be able to offer a loan commitment upon verification of application information, satisfying all underwriting requirements and conditions, and providing an acceptable property, appraisal, and title report. Not available on nonconforming products or for certain FHA transactions. Information is accurate as of date of printing and is subject to change without notice.
