

## You deserve good healthcare! We can help.

Open Enrollment has ended, but Medi-Cal Enrollment hasn't! You may still qualify for medical coverage:

- An additional two million people in California may now be eligible for Medi-Cal
- Medi-Cal coverage now provides the same coverage found in private insurance plans
- More health services are now covered by Medi-Cal
- Open enrollment for Medi-Cal does not end. You can enroll anytime if you qualify and don't have health insurance.

Cares Community Health is your partner in living well. We are here to help you enroll in health insurance and get quality care when you need it. Enrolling in Medi-Cal is one way to help you and your family be well and stay well.

Check the chart below to see if you are eligible for Medi-Cal based on your income:

<u>Size of your family</u>	<u>Your household income in a year is less than</u>
1	\$16,105
2	\$21,708
3	\$27,311
4	\$32,913
5	\$38,516

If you qualify for Medi-Cal, you can sign up online at [medi-cal.ca.gov](http://medi-cal.ca.gov) or come see us at Cares Community Health.

## We can help you get the care you deserve.

### We Want You To Be You

We want you to feel comfortable and well cared for. But more than that, we want you to be a partner in your care. We want you to understand, to ask questions, and to be aware that you can work in partnership with the staff to make life choices that will lead to your improved health.

### We Deliver Quality Care

Health care services are provided by compassionate, board-certified medical professionals. Through the efforts of our highly trained staff, and in partnership with other community agencies, we work to find all the resources you need to live a healthy and productive life.

## We have all the services you need and can help you enroll in Medi-Cal.
