

The Nehemiah Emerging Leaders Program

Employer and Community Benefits

Nominate a promising young professional for this prestigious opportunity to be trained for a leadership role in our community.

- Increase value to the area's workforce.
- Increase diversity among region's leaders.
- Promote growth and civic involvement.

NELP Participants Gain Valuable Skills

Through monthly full-day seminars and evening forums, the NELP participants acquire invaluable leadership skills such as:

- Cutting edge leadership training (e.g. group dynamics, self and group awareness, strategic communication, innovation and change management).
- Understanding how community systems and community problem-solving work.
- Negotiating, planning, and conflict resolution training.

Participants meet and are mentored by Sacramento region community leaders who enhance their professional and civic career development.
