St. Paul hosts Angella Christie for live concert

Proceeds support students who need help paying for college

Sacramento, CA April 20, 2015: Award-winning gospel saxophonist Angella Christie will perform a live concert at St. Paul Missionary Baptist Church on Friday, July 31, 2015 at 7:00 pm. The concert is a fundraiser for the Carrie Sue Williams Scholarship Foundation, named in honor of Pastor Ephraim Williams' late wife. The scholarships are awarded to qualified students who fall short of covering their education expenses even after receiving other forms of financial aid. Those students were affectionately referred to as the "almost kids" by Mrs. Williams.

For more information about this event and other church activities go to www.stpaulsac.org or our Facebook page at www.facebook.com/stpaulsac
